MEMORANDUM FOR THE RECORD

SUBJECT: Distribution of the [REDACTED] Final Report, "Micro-densitometer Capability & Interpretation Study."

25X1A

REFERENCE: Attached "Recommended Distribution of [REDACTED] Microdensitometer Handbook, Parts II and III."

25X1A

1. On 3 February 1965 [REDACTED] told the undersigned that he had discussed the reference with Mr. [REDACTED]. Although [REDACTED] gave a general approval to the reference, he does not want copies of this report to be sent to other than government organizations which need the information. For this reason, the [REDACTED] have been removed from the list. If it is considered necessary for a contractor to read this report, the copies can be loaned to them as GFE (Government Furnished Equipment).
